

# A/V REQUIREMENTS

**Projector** (audio not necessary)

**Microphone** - Lapel or headset mic preferred, but any mic will do (No wired mics if possible, Michael likes to move around the audience and will feel like he is on a leash with a mic on a cord)

Michael will bring his laptop computer with HDMI and USB ports

Michael will bring his presentation the day of the event on his computer and on a separate flash drive.

Please email [Michael@speaklife365.com](mailto:Michael@speaklife365.com) if you have any other questions.
